

# Parking Lot Pollutants

When you leave a parking space...

Do you leave  
*Trash or Fluids* behind?

These Pollutants

end up in storm  
drains and sewers...

Polluted storm water often  
flows directly to a River causing disease  
and harm to wildlife and the environment.

## Help Improve Stormwater Run Off!

- ☑ Place *litter and cigarette butts* in trash receptacles.
- ☑ Promptly *repair vehicle leaks*.
- ☑ Take your car to the *car wash* instead of washing it in a driveway or parking lot.

To report a potential illicit discharge or improper disposal...
